No. 933.—Publishes a letter containing orders as to the recovery of Rs. 1,606-11, embezzled by a late Money Order Agent, directing that the whole amount of the irrecoverable balance be made good by the collector of the station, as it is absolutely necessary that those officers through whose hands Government money passes, should be made to feel such a weighty sense of their individual responsibility in respect thereto as shall prevent carelessness on their part, and shall ensure their maintaining proper supervision over their subordinates ... 677

No. 1075.—By paragraph 16 of Resolution No. 3334, dated 14th December 1870, the question of how the charge for the absentee and superannuation allowances of officers appointed after the date of the above Resolution to any new office paid from Provincial Funds shall be borne, was left for subsequent consideration.

2.—Now declares that the Imperial Government will, until further orders, bear the charge for absentee pay in England, and for pensions or gratuities under the pension rules, of all officers who are paid from Provincial Funds, whether their offices were created before or after the 14th December 1870.

3.—To enable the Government of India to ascertain from time to time the additional charge thus imposed upon imperial revenues, the several local Governments should submit annually, on the 1st April, a list of all new offices during the preceding financial year chargeable to provincial revenues, and of all offices theretofore so chargeable abolished during the same period. The return should show the name and nature of the office created or abolished, the date of creation or abolition, and the amount of pay attached to it.

4.—It is to be distinctly understood that nothing in this Resolution affects the general principle that service paid from local funds does not qualify for pension from the Imperial Government. For the purposes of this Resolution,

service paid from local funds must be clearly distinguished from service paid from provincial revenues.

Ordered also, that the following addition be made to the Civil Pension Code :—
